

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 3377 - SB 3190

February 28, 2012

SUMMARY OF BILL: Requires a person who must dispossess all firearms possessed because of an effective order of protection, a weapons violation, or a domestic assault conviction to also dispossess of any ammunition for such firearms.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Any additional cost to revise the order of protection form developed by the Administrative Office of the Courts can be accommodated within existing judicial resources without an increased appropriation or reduced reversion.
- Any additional cost for the court clerk to print the revised forms will be not significant.
- Expanding the criminal offense of possession or carrying of weapons to include the possession of ammunition that is prohibited because of a dispossession requirement attached to an order of protection could potentially increase the number of such cases. However, any increase is estimated to be not significant.
